The Tour de Yorkshire 2019 is coming to Bramhope! For the first time since this Yorkshire wide event began, the village is on the route. This is a great opportunity to showcase Bramhope, as the event is broadcast to 190 countries round the world. It is also a great opportunity for the community to take part in the festivities that traditionally surround this 4 day premier sporting event.

The Parish Council would like to involve every business and every community organisation in making this a memorable occasion. So we invite you to a kick-off meeting to be held on Wednesday 6th February at 7.30 pm at which there will be a briefing on the Tour de Yorkshire 2019 and a discussion as to how the community can make the most of the event. The Britannia Hotel has kindly offered to host the meeting.

On Friday 3rd May, the route for Day 2 of the race takes the riders through Alwoodley, down Kings Road to the roundabout, onto Leeds Road past the Tredgold Avenue Shops, the Church and the Puritan Chapel to the Dyneley Arms crossroads where the riders will turn right down Pool Bank. The Women's Race will pass through late morning and the Men's Race mid-afternoon. On Sunday 5th May the Men's Race will climb East Chevin Road and then along Old Otley Road to turn into Cookridge Lane.

We hope that the attention of the TV cameras will be caught by flag waving spectators lining the route, decorated shops and houses and imaginative displays and field art. To complement the race local organisations are encouraged to stage events and celebrations to make this a truly memorable weekend.

In view of the short timescale, the Parish Council has put together a temporary working party to get things moving, but at this public meeting we intend to create a larger group representative of the community as a whole. Please come to the meeting to hear what we know so far and to put forward your ideas as to how we can involve everyone in the village in this major community event.

So that we can judge numbers, please confirm your attendance to [BramhopeTdY2019@gmail.com](mailto:BramhopeTdY2019@gmail.com)

If you are unable to attend the meeting but wish to be involved or have suggestions that you would like to be considered, then please let us know via the email address provided. We will make sure that you are kept up to date with plans and events.
